

Name:

Old news: Industrial Revolution!

1. What was it? A movement from Agricultural type of work to manufacturing type of work.
2. You will have to know EFFECTS from the IR, both short-term and long-term

SHORT TERM (within 100 years)	LONG TERM (100 + years later)
<p>more goods cheaper goods urbanization unsafe working conditions child labor tenement housing</p>	<p>medical improvements women's rights public schools labor laws</p>

More old news: Imperialism!!!

1. What is it? When one country dominates another country politically economically or militarily.
2. Who did it? Mostly Great Britain.
3. Know your Cecil Rhodes cartoon!!!

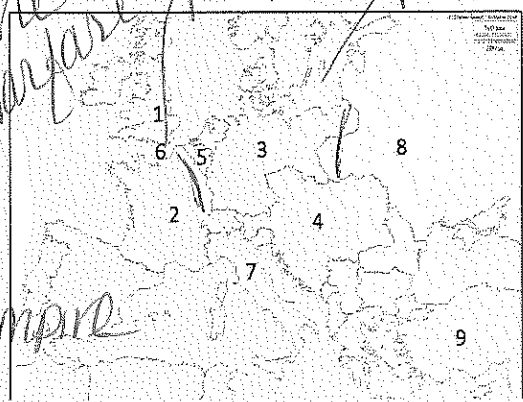

Newer news: WWI!

1. Know the map.
2. Know where trench warfare developed and why.

- 1 GB
- 2. France
- 3. Germany

- 4 A-H
- 5. Belgium
- 6 English Channel
- 7. Italy
- 8 Russia
- 9 Ottoman Empire

had trenches
due to machine warfare
Western Front
Eastern Front

Very new news: Treaty of Versailles

1. Choose 3 reasons that the Treaty of Versailles failed. For each, explain how it failed and how that failure led to WWII.

PROVISION	WHAT IS WAS	HOW IT LED TO WWII
1. War Guilt Clause	Germany had to accept total responsibility for WWI	made all other provisions follow, they felt that it they weren't solely responsible
2. Reparations \$\$\$	Germany had to pay a huge amount for war debt	Destroyed their economy - made them desperate (w/ Great Depression)
3. Loss of military	Greatly reduced military,	made them feel powerless
Loss of land	Had to give up land & colonies	made them feel weak, hurt their economy

* pick one

ie. language, religion, culture,

7. Before - Nationalism (patriotism = all time high)
After - Nationalism is at all time low - mad @ governments

Stuff that's hot off the press:

1. Russian Revolution Notes! Let's go over them now.

- 1. Militarism
- Alliances
- Imperialism
- Nationalism

2. poor performance in WWI, fear = ineffective

3 food is expensive, poor workers want rights

4 Reds = communists, liberals = fear

- 5. flame thrower
- machine gun
- Zeppelin
- tank
